Short Bio:

Impossible Roncea is one of the side projects of Nicolas J. Roncea, a musician who plays also with Fuh and Io monade stanca. Because of a problem with his left hand, in the beginning of 2010, he was forced to stop his musical activity for some months and he decided to make some experiments with home recording, voices, loops and guitar open tunings. So this is "Impossible roncea", the first 5 tracks ep, out in free download on Yo! Netlabel. More info about: <http://www.njroncea.blogspot.com>
